

G&T Report – Feb 23, 2017 WRRR General Meeting

### Regionals 2017

Regional planning is well under way. We have our schedule almost finalized and will slate teams into the tiers at the WRRR meeting on March 7<sup>th</sup>.

In 18+, we will be running a 5-team CC division (only).

We currently have 13 minor officials registered, with 9 available all day Friday, which is a great start. We will still need a few more time/score people as we have 6 pads running. This is a paid position and is open to any Western Region member.

### Regionals 2018

We are in discussion with a few associations about joint ventures for next season. A formal announcement will be made once finalized and approved.

### Provincials 2017

Provincials are just around the corner for many of our Provincial teams!

Congrats to our Regional Representatives:

Forest U14A  
Forest U16A  
Forest U19A  
London 18+A

Reminder to teams needing substitute players and/or wishing to add a second goalie to submit your requests to G&T ASAP.

### Provincials 2018

We look forward to hosting U12's (Waterloo) and A's (Kitchener) in our region next year.

We are working with an association to finalize their bid for AA's.

### Provincials 2019

We are looking for hosts for all 3 events in 2019. I have heard that some applications are in progress but nothing confirmed as of yet.

### Suspensions

We have overall had less player suspensions this year than in the past. Please keep up the trend! Remember that an end of season suspension carries over into next year. If you have a player in this circumstance, please contact G&T to discuss impacts to tryouts and season startup.

### Substitutions

The tournament season is almost over but we do have a lot of teams heading to Niagara. Please get any sub requests in EARLY.
