

ADP Report

April, 2017

This was my first year holding this position and I have learned a lot. The biggest issue for the Adult Division is seeding. This will be reviewed and a different system for the seeding process will be introduced in the fall.

The SWIRL Disciplinary Chair has forwarded suggestions for making changes to the TRF Adjustment Forms for the Adult League, as well as an improved game sheet with a signature line for each player. She has been dealing with falsified game sheets. We will review her suggestions at the ADP Standing Committee Meeting on the weekend of April 21.

The Western Regional Tournament held a CC Adult Division with 5 teams involved, one team was a weak B Division and was accepted into the Tournament but was not to qualify for the Finals. Congratulations to the Tillsonburg CC team, and to all involved.

The Ontario Adult Invitational Cup (OAIC) Tournament was held in Oshawa this past weekend, April 7-9. It was very well run and the seeding was applicable in all Divisions. Congratulations to all teams and thank you for your participation.

This past year the ADP Committee has worked hard at developing a user-friendly Adult Come-Try-Ringette program. You can find the outline on the ORA Website under Adult Development. I recommend that if anyone is interested in hosting this event, to review the program. I am excited to help make this happen in your Area and if you are interested, please contact me and I will work with you to make this a large success. This is an opportunity to grow the sport of Ringette for your Association. It will bring in more Membership and thus, more revenue, more interest in Referees and Coaches and more possible Volunteers.
