

Western Region Ringette Association

Directors Report

Annual General Meeting – April 2017

We have had a great year of ringette here in Western Region. Congratulations to all of the teams that took part at the Regional Championships in London two weeks ago. It was inspiring to watch all of our teams playing. We have received excellent feedback from many associations. A special thank you to Keith Kaiser and Nancy Houghtling for everything they did to make it such a great event. And thank you to London and Dorchester for hosting our Regionals each of the last two years.

Our Provincial teams had great results at their various events with 6 teams winning medals at the U12 event, 5 teams winning medals at the A event and 6 teams winning medals at the AA event.

We have had a few Western Region teams represent the Province as Team Ontario to compete at the Canadian Ringette Championships and Eastern Canadian Championships – Congratulations!!

The ORA AGM is quickly approaching (June 9 – 11) in Toronto. I would like to emphasize the importance of each of our association's having a representative at the ORA AGM. Please try and send a delegate to the meeting if you can't attend the entire weekend. Each association has the opportunity to vote on items tabled at the meeting. If your association is not going to be able to have a designate attend please let me know in advance of the meeting.

Our coordinator's and executive continue to do an excellent job helping to administer our sport here in our region. Once again a huge thank you to my fellow executive and coordinators not only for their support but also for the administrative work they do to ensure everyone's needs are met at the Provincial and Regional level.

I have enjoyed my first year and hope to return for a two year term as your Director of Western Region.

Thank you very much and if you have any questions please let me know.
