Western Ontario Ringette League – WORL A/AA

The Western Ontario Ringette League (WORL) for A and AA Provincial Ringette teams in Western Region has completed the 2015/16 Ringette playing season with the League AGM having been held on Monday, April 11, 2016.

Western Region through our member Association teams experienced tremendous success throughout the season having medal performances at tournaments across Ontario as well as at Provincials and National events - Western Region is the cream of the crop!

To each Association, their teams and the many athletes, none of these achievements would be possible without the parents and the many hours of dedicated work by our volunteers - Thank you!

We had **15** member Associations and **43** Provincial teams competing in our League and or the combined WORL/CORL League this year. 32 Provincial A teams and 11 provincial AA teams.

Player Tryout and Selection Process

The Player Tryout and Selection Process, by which we communicate, select and present our teams for play is one of this League's most valuable assets. Open communication and presentation through the website continues to define our League and showcase us as the premier League in Ontario. The Player Intent and Team Tracking spreadsheet has been very effective in keeping an open and transparent approach to managing team development and player movement. Peter Westelaken spends countless hours maintaining and supporting this League by updating this spreadsheet, his attention to detail, the collating of some 800 plus emails and his dedication to our sport, on behalf of the League, I want to THANK YOU!

Officiating

Denise Pelletier, Referee in Chief for Western Region

Steve Baker, WORL Referee Scheduler

Association Referee in Chief's

Thank you to our officials, on-ice and off-ice, for their dedication and commitment to our League. We would not have a successful League without their continued support. We need to continue to recruit, train and develop our officials.

League Scheduling of Games

Shelley Klassen, WORL League Scheduler – Scheduling over 320 League games and reschedules is not an easy task. Thank you Shelley for all the work you did to organize and produce this League schedule for our teams and Associations.

To each one of our Association representatives, to the division conveners and to the League executive members - Tom Reidy, Chris Billing, Lori Adams, Sherry Townes & Rich Gratton. Thank you all very much! This league cannot operate without all your continued support.

This has been my first year as WORL President. Although I did not come into this role in the traditional sense, it is quite evident that the strong foundation of WORL has been built through the hard work of years gone by and the leadership of past members.

Next WORL meeting is scheduled for – Monday, August 29, 2016 – Dorchester Optimist Hall, 7:30 PM.

Phil Singeris

WORL President
