

WRRL REPORT

Thursday, May 02, 2019

Financial Statement posted on WRRL website

League Banners

U9: Guelph

U10: Guelph

U12: Eora/Fergus

U14: Exeter/Seaforth

U16: St. Mary's

U19: Mitchell

Regionals went well.

- There will be 2 carry over suspensions from Regionals to next year; one player and one coach.
- All groupings worked very well. At least 5 finals went to overtime.
- Reminder for next season All teams must bring two sets of jerseys to ALL games

League discussed a 20 game schedule instead of 18 so teams do not go the month of March without games. 2 week period over Christmas no games and second half starts in the new year for next season

Elections

Ref in Chief – Cindy Kramer (Forest) – Approved unanimously

President – No one stepping up. Everyone to go back to their associations to discuss and find someone.

Guelph and Dorchester have not held a position in many years. Both willing to take a role other than President

All associations asked to communicate with their members that a president is required.

Question about value of continuing with raffles at Regionals

- Value to WRRL is \$2,000 - \$2,500 which comes out to \$30/team, which is only about ½ of what teams are spending.
- Eliminating raffles would eliminate volunteer hour requirements.
- Maybe look at swag for kids instead of prize table?
- Add a "fundraising fee" per team instead of gift basket
- ORA has a marketing individual that could help with promotional items such as hats, etc for players
- Send question out to associations for consideration before next meeting

WRRL AGM Minutes and important dates are posted on website

Hoping to eliminate the second coaches meeting at WRRL reseeding. This can be done via email and sorted out if all parties respond in a timely manner. It is not fair to those individuals making the drive while others don't.

Next WRRL meeting

Thursday, September 19th

Tina Parsons-WRRL President
