

2020/21 Adult Report

This season was a different one for ringette this year, especially for adults as we have very limited access to play. Ringette Ontario and Western Region are committed to supporting adult teams get back on the ice however they can. For B/C teams we are in talks with SWIRL about how to support the league going forward. RO is currently working on a return to play strategy specific to adult teams and will be releasing guidelines soon. They also just complete a survey of adult teams to support return to the ice.

One large change is that next year, independent adult teams will be able to register directly with Ringette Ontario. They will share guidelines and each team would be responsible for registering themselves. Alternatively teams can continue to register with local associations and potentially with WRAIA as well (this is being confirmed).

Also as will be discussed, the adult volunteer role in the region will be transitioning to VP Adult. This will better encompass adult players at all levels, our adult league, and recognize the significant amount of our membership that are adult players.

Should you have any questions about next season, team formation, or the registration process do not hesitate to reach out.

Looking forward to getting on the ice next season,

Stephanie Smith
Western Region ADC
