

G&T Report – July 22, 2021

This has definitely been an unusual year! The G&T committee has not had a formal meeting since prior to the March 2020 cancelled provincial events. Hopefully that will change soon 😊.

At this time, Ringette Ontario has taken over a number of responsibilities that previously fell to G&T. We are still sorting out who is responsible for what, but G&T will definitely be a part of the provincial events.

As most are probably aware, Tournaments will not be held until January 1, 2022 at the earliest. Announcements about tournaments and provincials were sent from the office to all presidents this week. Please direct questions to the office via the President's basecamp group. Incidentally, I am in this group as an association president 😊.

One of these announcements is looking for hosts for the 2022 Provincial Events. There will be 2 events only. One is for A teams U14 thru 18+/Open, and one is for AA teams.

The Region is also looking for a host for Regionals!!

U12P is now U12A and falls under regional jurisdiction. There are many questions being raised based on the communications from RO on this age group. Please continue having these discussions with RO. The Region, and/or the GRLR will ensure there is a year-end event for this age group.

At this time Jordan and I are continuing to stand for our positions, however the region members should be aware that while I am still coaching locally (Kitchener), and still a president in the region, my permanent home has moved to about 90 minutes from Ottawa. I do have a temporary local address with the expectation that eventually I will need to work in person at my other job (the one that pays me!) which is in the KW area. But I will be "commuting" a lot for the next number of years and will continue to support our associations, teams, and players, regardless of where I am living.

As such, this would be a great time for someone interested to join us and start "learning the ropes".

Nancy & Jordan
