

Marketing Report

WRRR General Meeting – Sept 15, 2022

Welcome back everyone!

Updates:

1. We are finalizing the new logo, hoping to release it in the next couple of months.
2. Free Stick Program for new players - First round of sticks were received this week. I sent out an email for stick pick ups. I am hoping to get those handed out asap as I will be on vacation starting Sept 26 in the evening. I am hoping to get a second round out in the near future. Open to suggestions on the deadline. Final note we won't be providing tape this year to be able to hand out more sticks
3. Planning on expanding social to instagram once our logo is finalized. Please reach out or send a message to WRRR on Facebook if you would like something posted. If not I will be working to provide coverage as I found out about events.
4. As always open to initiatives that the associations want to see. I am happy to work with everyone to meet those as much as we can.

Let me know if you have any questions,
