

# **Western Region Ringette Association**

## **Directors Report**

General Meeting - September 17, 2015

As most are aware Western Region has experienced an unexpected loss in the passing of Mike Guiller, a great man and an excellent leader. Along with such a great loss comes change, certainly the role Mike played within the Ringette community goes deep, and his passion, pride, knowledge and commitment for the sport cannot be replaced.

After only spending a short few months as the 1<sup>st</sup> VP of Western Region alongside Mike I am faced with the challenge of being Director of the Region. I am excited to take on the challenge, and I am inspired by the passion, pride and commitment of the Western region executive and coordinators and look forward to the opportunity of working alongside them, learning from all there experience.

I would like to thank the Board, Executive members, and coordinators not only for their support but also for the administrative work they do to ensure everyone's needs are met at the Provincial and Regional level.

We are looking for an Adult Development Coordinator and a Sport Development Coordinator. If we don't have volunteers come forward I will put the names of associations not currently represented on the WRRRA Board into a hat and draw the name of the association who must provide an adult coordinator or sport development coordinator.

Thank you very much and all the best during the 2015-2016 Season.

Richard Gratton  
Director, Western Region
