

Here are some important updates for the 2019/20 playing season for adults.

Rule Changes

1. Two-team Agreements
 - a. New rules governing 2-team agreements at the adult level- full rule changes found in the adult manual under the operating tab
 - b. Here are the major changes
 - i. You can now only affiliate up one level (between C/CC-B/BB or B/BB-A/AA)
 - ii. Each team looking for two-team players can only have a maximum of four players per team that are on two team contracts (at C/CC-B/BB levels)
 - iii. For players affiliating between B/BB and A/AA G&T will be first approving contracts and have jurisdiction over the number of two-team players allowed per A/AA Team
 - c. There is an updated two-team player agreement form available on the Ringette Ontario website under forms
2. Adult Teams throughout league play will need to designate a Safety Officer (in compliance with Rowan's Law Legislation) which can be your signing bench staff- but there needs to be a SO present so we recommend training 3-4 people. You can reach out to Annie Goncin, Operations Coordinator at operations@ontario-ringette.com

Come Try Adult Ringette

1. There is kit and small budget within WRRRA to help support Come Try Ringette Events for Adults- these are a great way to engage parents of players and adult community members in learning more about the sport of ringette.
 - a. If your association is interested in hosting please reach out to me. I can provide assistance in coordination

OAIC

1. Applications have been received and it looks promising for this tournament to run in 2019/20. More updates to come shortly.
