

Elite Update:

Standing committee meeting went very well. We discussed the OWGS and will be requesting a better venue. as we are considered a core sport at this event by moving Ringette to a larger more central venue i.e. Owen Sound it will help us gain exposure and grow our sport .

Nationals, discussed the location and the cost for our teams and at this point we are very concerned about how many teams will be interested in going. The final decision will be made after we get the signed forms and look at the feedback we receive from our teams

The forms will be done electronically. Final details ie how the president signs it etc., are still being worked out by Karla. We are currently looking at a due date of November 18th.

Initiative by Northeast Region to put together AA teams at the U14,U16, and U19 levels. These players will be two team players. The AA teams will go to a couple AA tournaments, but not provincials. This is an effort to expose more players from the Northeast Region to elite Ringette and ultimately strengthen their AAA program.

AAA

Coach will be chosen before December 31st of this year. A notice will be sent out next week to the region.

This year the region will be asking for head coach applications first. Once the coach is selected we will then seek applications for the rest of the AAA staff
