

Sport Development

September 19, 2013

Each team U12 and under are required to complete a skills matrix TWICE this season. The first one is to be submitted to your sport development coordinator by October 20, 2013. The second one is to be completed between January 2, 2014 and the end of February. This will be submitted to the sport development coordinator no later than February 28, 2014.

Beginning with the September 2013 season, the U12 division will have a provincial component and a regional component. The Regional component will be a vertically sorted, balanced, developmental program. Player selection will be based on the skills matrix. The Provincial level will introduce a competitive component and will be selected horizontally.

All U12 teams, Provincial and Regional, are limited to attending a maximum of five tournaments throughout the season, including Regionals and/or Provincials.

As per existing ORA Rules, all Coaches must comply with the ORA Fair Ice Policy.

As well, we have posters and handouts for Come Try Ringette. Unfortunately, we are not notified when an association signs up for an event, so please contact us and let us know when you are hosting one so we can get the materials to you. In an effort to better keep track of the displays and equipment as well please notify us when your association is in possession of these items.

Thank you,

Erienne Beuglet & Janet Logan
