### Skills Matrix

Each team U12 and under (U8) are required to complete a skills matrix TWICE this season. The second one is to be completed between January 2, 2015 and March 31st. This will be submitted to the sport development coordinator no later than March 31st, 2015. The Team Composite Score based on the Skills Matrix Evaluations MUST be on the TRF.

At this time Membership Services has indicated ZERO teams have included their Team Composite Score on their TRF. Please ensure to resubmit these with the Team Composite Score as they are used for tournament seeding.

For additional information please visit the Skills Matrix section on the Sport Development page on the ORA website: <http://www.ontario-ringette.com/SDev/Skills.php?sub=SDev>

### Team Activity Log

Team Activity Logs must be maintained throughout the season by all teams and submitted to the sport development coordinator at the completion of the team's season. The template can be found in the Team Activity Log section of the Sport Development page on the ORA website:

### U8 Goalies

Please be advised with regards to the Membership Notice Sent out by the ORA November 12, 2014 goalies at the U8 level are not required to wear goalie pads for the 2014-15 season. The option is there for goalies to wear full equipment if both teams agree but it is not a requirement. There will be no fines for teams that do not dress a goalie.

### U12 Two Team Players

Emails were sent out to coaches this week who requested exemptions for the number of tournaments attended by players with two team contracts at the U12 level. Please submit a list of the agreed upon tournaments by the Provincial and Regional level coaches to the Sport Development Coordinator as soon as possible at [sportwrra@wrra.ca](mailto:sportwrra@wrra.ca).
