Spruce Lodge  
November 21, 2013**

**WRRRL President's Report**

I think our season got off to a slightly smoother start this season. Having a detailed schedule available early may have helped people meet expectations.

September /early October is always busy finalizing the teams and I think our biggest issue this season has been finalizing the over-aged player requests. Efforts have been made to revise the Over-age Declaration Form, making the directions clearer for next season.

Everyone is doing a good job of logging their game results. Thank you. Please remind your teams that we would like this information in within 48 hours. There are several gaps that are more than a week old. Game changes are to be reported to Nancy and Kendra who are the WRRRL contacts to the webmaster (do not contact the webmaster directly, please).

Shot Clocks are to be used for all games in Divisions U12 to U19. This is an ORA requirement, every effort should be made to use clocks were they are available.

This is my last report as WRRRL President. Thank you to everyone who has supported me during my brief time in this chair but it is time for me to move forward with my 'phased' retirement from ringette. I'm looking forward to new adventures and send warmest wishes to all of you !
