

Western Region Ringette Association

Directors Report

General Meeting – November 2017

We have had a great start to our season here in Western Region with very few issues and a number of successes. The London tournament went very well last weekend and our AAA team had a good start with 3 wins and 2 losses – unfortunately they did not advance to the finals on Sunday. Congratulations to three players on the United team who won the silver medal at the first Challenge Cup event – Brooke Wasylyshyn, Hilary Davidson and Julia Mezenberg!

These first few months of the season are the busiest time of the year for all of us as everything gets started from league games, to tournaments and clinics. All of our Coordinators are busy and there are lots of documents being processed. All are critical components to the start of another successful season. The ORA Board meeting is being held next weekend in Toronto (Nov. 25-26). A number of key projects have been moving along since our AGM in June including a search for the new Executive Director of the ORA – Mike Beaton will be retiring in 2018.

Mississauga is holding the World Ringette Championships at the end of November and into the first days of December – I encourage everyone to work this into your schedule to see Team Canada. Both the U21 and Senior team will be playing games – visit worldringettechampionship2017.com for all of the event info and schedules.

Once again, I would like to thank our great team in Western Region and all of our Coordinators for their support. Please take the time to review their reports and come to our meeting with questions. Let's continue to have a great season!

Brian Breckles
Director, Western Region
