Next year we need all associations to be mindful of the deadlines. Many coaches were not aware and scrambling.

Volunteer Nominations – We received 35 nominations this year.

Closest / Current

Home Association – Where the player lives

Current Association – The association where the player played in 2011-12 Season

If the players home association has a team then they must try out and play at home if offered a spot. If the home association does not have a team then the player must go to the current association (where the player played in 2011-12 season). If neither of these associations has a team or the player is not offered a spot then they start with closest from the home association.

If a player did not play out of association in the 2011-12 season then the player will automatically follow the closest association matrix. You can find this on the WR website.

WORL league

The WORL league created offers to players for A/AA team selection for the 2011-12 season, for the coming season the letter has been streamlined and a copy is on the WR – WORL page. This letter is to be used by all A/AA teams to offer a roster spot on their team. Please ensure that all families understand the process and that if they do not reply it means they DECLINE the roster spot. If a player DECLINES a roster spot they must stay in home association and play whatever level is available the player has forfeited the right to play out of association.
