WRRL Report Spruce Lodge April 18, 2013

I would like to apologize for an error that took place with the seeding of a couple of divisions at Regionals. An E-mail was sent to several Associations that expressed their opinions to Western Region regarding two of the 7 team divisions. There was a miscommunication between myself and the scheduler, which resulted in an error when the team lists were handed off for insertion into the tournament schedule, the teams for those divisions were not in the proper order. When the schedule came back for review before releasing to the teams, we did not catch that the pools were not even. We have discussed procedures to ensure that this doesn't happen again. We have also discussed tracking team tournament play which will provide additional information to help with the placement of teams for Regionals for the 2013/2014 season.

In addition, next season all Associations will be required to provide a list of their team ORA numbers to the WRRL in December. Applying the ORA number to the team name will ensure that there is no confusion identifying which team is which.

The WRRL AGM was held last week. Our minutes are slightly delayed due to the power outages last weekend, we should have them available to the Associations soon. It was a long meeting and there were a number of action items that will carry over for discussion in the fall. I'm please to note that we have set a schedule for next season. It is our hope that having this information early will enable all Associations to be prepared for the WRRL deadlines in September/October, keeping everyone on schedule.

We were unable to resolve one item at the WRRL AGM; The election of a new President and Eastern Convenor. I have prepared the attached table which tracks what associations have held positions on the executive since the inception of the WRRL. Please review this table and if your association has not assumed a role on the executive, I am asking you to find someone within your association to take one of these roles. This is essential since Kitchener's/my term is up and the seat cannot be vacant. This past season, our Western Convenor was doing double duty and covering the East as well. These seats must be filled.
