## Children's Ringette

I just wanted post this message again from the AGM about Children's Ringette. Please reach out if you have any questions or need help.

### Link to RO Info on Children's Ringette

There are three progressive age categories in Children's Ringette – FUN1, FUN2, and U10 FUN3 (See Above).

**FUN 1 and 2 mandatory for associations to implement for 2021-22 season**

**FUN1** is for children who are new to ringette or skating, learning basic game structure, and still developing basic skills, this group plays cross-ice.

**FUN2** is for children who are learning to lengthen their stride, ready to learn more rules of ringette, and have developed some basic skills, this group plays Mini Ringette.

Both FUNdamentals 1 & 2 divisions use small-sized nets and play adapted games of 3 on 3 and 4 on 4 respectively. Smaller spaces ensure more touches, interactions, shots on net, and passes. Teams are split into smaller squads to ensure the majority of players are participating at a time. With these adaptations in the FUNdamentals divisions, children are able to experience maximum participation, practice learned skills, and move through divisions based on skill and readiness.

**Please contact me if you need any help getting equipment to implement Children's Ringette**
