

# WRRL B/C Report

Thursday December 9th, 2021

Hello,

I would like to thank each association for all the work that went into to determining & finalize team formations. It was challenging for most associations with the fall A/AA tryouts.

I would like to thank Mark DeLaFranier for the work he did in getting our WRRR website and B/C Site up and running sooner than expected. Please be patient with us as more changes and improvements will be implements on the site.

86 Teams Registered this year.

Down from the 95 registered teams in 2019/20. It would have been closer to 90 with Chatham’s, Exeter/Seaforth and London’s Fun1/2 team declared.

## B/C Rating

We implemented a New B/C Rating document to help seed teams this season. We expect that there will be improvements to this document for next season.

Also, the first half and second half season will be back next season, and this will help reseed teams.

### **Game Rescheduling and Score Submission**

Below is the link were to find the instructions for game rescheduling and score submission.  
For score submissions must not have a score spread greater than 7.

Mark DeLaFranier has sent to each association the WRRL Website Login Info and Processes.

### **Fun1 / Fun2 Division**

We require all associations to follow the RO instructions for practices and games. Especially for FUN2 when they play games, and the home association doesn't setup a game per RO instructions. It is important that everyone is doing the same, so its less confusion for the players, coaches and parents.
