

Marketing Report

WRRR General Meeting – Feb 24, 2021

Updates:

1. Final order of sticks has mostly been distributed to the associations. I have one last association to pick up sticks.
2. Vetting graphic designers for logo design. Still in progress.
3. Marketing grant communication posted to basecamp. I will touch base with Mark and see if we can send out a communication through RAMP directly to the presidents.
4. Mary & Keith Kaiser Award - should be communicated out to the associations via Facebook currently. We will make a secondary post prior to provincials as a reminder as well as posting to basecamp for the marketing reps to communicate out to their associations.

Let me know if you have any questions,

Megan Carberry
