

Hi Everyone,

- All teams have registered, waiting on payments but all good.
- Schedule is done just need to finalize checks and approvals!
- Hotel notes send again this week so all team know availability **Please support the hotel providers arranged by the tournament they have done hard work to get good rates**
- Shot clockers / time-score keepers have started coming in but we will need more for sure – another note will go out for this – will start scheduling once I have final schedule
- Shot clocks requested will pick up after Kitchener event – have emails out for a couple more
- Denise is doing the ref schedule have not hear from her so unsure of how many she has signed up but schedule will help her with what she needs
- Medals will be picked up next week
- Score 2 stats organized
- Fundraising has begun
 - As of now we are still not allowed tables so moving along like we will not be able to.
 - Regionals sweatshirts – will be nice for the girls to have new Ringette clothing
 - Regionals drinkware – adult cups / water cups personalized
 - WR raffle – asked each team for 50.00 to do Gift Cards
 - 50/50

still to organize

- Fun 1 event – need to find out more so I can get this done
- Have asked Scott Borland u19A team to run but need to give them the details

I don't think there is anything to overcome to make this a successful event please let me know if there are concerns.

Thanks
