- Covid Shutdown the season down late December to the end of January
- Thanks to all the associations Ice Schedulers were able to get in each team at least 8 games for the season when we came back from the covid shutdown
- At the beginning of the season we had planned for each team to play 12 games prior to March 7<sup>th</sup>. (708 scheduled and 554 played before regionals)

#### Basecamp

- This was a great tool for WRRL/WRRA to communicate this season

Thank you to Brian Hesse for the all the work he put with the use of the new RAMP site and getting in the all the schedule updates after we came back from the Covid shutdown.

Thank-you to each Association, their teams, and the many athletes for making this season at success!! This great sport would not be possible without the coaches, parents, and the many hours of dedicated work by our volunteers. Thanks again!
