

2022-09-15 VP Adult Report

Hi Everyone,

We are looking forward to another season of ringette!

1. Here are the available registration options for this season:
 - Register/align your team with a Minor Club (i.e. Waterloo Ringette Association). This is a great option to allow players moving out of U19 a chance to continue to play for the same club in 18+ and volunteer with the minor club.
 - Register as an Affiliate Club – complete the [Membership Form](#) to be an Adult Affiliate Team with Ringette Ontario.
 - Register directly through the RO portal and submit your team's roster via email to clubdevelopment@ringetteontario.com
 - RO will create your TRF and provide you a copy to submit to Sanctioned Events for registration purposes.
 - Your players will need to register as independent players and can do so here: <https://www.rampregistrations.com/login?v3=8f8e535f>
 - Interested in being a super sub or do not have time to commit full time to a team? Register as an Independent Player using this link: <http://ringette-ontario.rampregistrations.com>

As a reminder, all athletes and teams must be registered to participate in any RO Sanctioned Event. You need to confirm your team formation with RO by Oct. 1st and confirm all roster registration by November 1st. **ALL TWO TEAM PLAYERS NEED TO BE CONFIRMED BY NOVEMBER 15.** I will continue to approve those forms.

2. Here is the full key dates list from RO: <https://ringetteontario.com/wp-content/uploads/2022/07/2022-2023-Key-Dates.pdf>
3. The SWIRL league will be running again this year, if you have questions reach out to me and I will put you in touch with the president Meghan Purdie.
4. Tournaments will be happening again this year. 18+A and 18+AA teams have been assigned. 18+BB teams and below will have to register with tournaments directly. All

tournaments are being managed by RAMP this year and Scores2Stats is no longer being used. Here is the sanctioned event list: <https://ringetteontario.com/wp-content/uploads/2022/08/2022-23-Ringette-Ontario-Sanctioned-Event-Listing-0831-1.pdf>

5. There are plans to again host an Adult Cup in 2023. However it will be for 18+BB teams and below. 18+AA and 18+A teams will again play at the AA/A provincial championships.
6. Coaching requirements have been updated for adults as well. You can view these on the RO website but all teams below 18+AA will now only require:
 - The bench staff code of conduct
 - Safe Sport Training or Respect in Sport for Activity Leaders Training
 - **And if any of your participants are under the age of 18 the volunteer screening requirement**

Let me know if you have any other questions,

Stephanie
