- The Provincial committee will be working together to clean-up the try-out process document which will include more concrete examples for player release within our region and across regions

U12A:

- Try-outs were to be completed by Sunday, Sept. 11 with team declarations done by Wednesday, Sept. 14. London and Kitchener/Waterloo have asked

for an extension, which was granted. Teams will be finalized by Saturday, Sept. 17.

- Chatham withdrew their intent to host U12A; Mitchell/St. Mary's folded their team – not enough skaters at try-outs; and Kitchener/Waterloo are sorting out if they should host 1 or 2 teams.
- U12A teams need to register on their own for tournaments and will not be assigned tournaments by RO
- U12A teams to be submitted to GLRL by Sept. 20, 2022
- It is hoped U12A games will start the first week of October
