Children's Ringette

I just wanted post this message again from the AGM about Children's Ringette. Please reach out if you have any questions or need help.

Link to RO Info on Children's Ringette

<https://ringetteontario.com/childrens-ringette/>

There are three progressive age categories in Children's Ringette – FUN1, FUN2, and **U10 FUN3 (See Above)**.

FUN 1 and 2 mandatory for associations to implement and each association must follow what RO has laid out.

FUN1 is for children who are new to ringette or skating, learning basic game structure, and still developing basic skills, this group plays cross-ice.

FUN2 is for children who are learning to lengthen their stride, ready to learn more rules of ringette, and have developed some basic skills, this group plays Mini Ringette.

Both FUNdamentals 1 & 2 divisions use small-sized nets and play adapted games of 3 on 3 and 4 on 4 respectively. Smaller spaces ensure more touches, interactions, shots on net, and passes. Teams are split into smaller squads to ensure the majority of players are participating at a time. With these adaptations in the FUNdamentals divisions, children are able to experience maximum participation, practice learned skills, and move through divisions based on skill and readiness.

Please contact me if you need any help getting equipment to implement Children's Ringette or if you have any questions.

WRRRA B/C Action Items

1. Create a B/C team declaration document / process.

If you have any questions please contact Jason Vermeiren at jvermeiren@yahoo.com

Good Luck this season and lets make it a memorable one for everyone!!
