

2022-2023 Membership Services Report

First off, congrats to all on a great season.

I processed over 184 releases to start the 2022-2023 season – which meant a lot of back and forth with parents/players, association presidents and membership services. Thanks to everyone for their patience.

We will be using an updated release form for this season. Please ensure your coaches are using the updated one and that it is completely filled out as it is the only one I will be accepting. I put it in BASECAMP and it is also on the Ringette Ontario and WRRRA websites. We are hopeful that this will alleviate some of the back and forth.

If anyone has suggestions to improve the process, would love to hear from you.

Regards,
Elly Simpson
