

WRRRA PROVINCIAL REPORT – SEP/OCT 2023

First I wanted to introduce myself. My name is Shae Stanbra and I am the new VP for A/AA in West Region. My apologies for not being able to be present this evening (if this is the case and Mark is delivering the report on my behalf) but I am looking forward to being on the board and working with all of you. I have some big shoes to fill following Shelley, so excuse me as I navigate these new waters in this position. I come from Forest Ringette Assoc. where I currently sit as the Past President after 4 years. I have been involved at the A level of play for the past 5 years as both a coach and with board membership.

I will be reaching out to all your Associations this week to confirm your Association Reps for the Provincial teams and will ensure that our list is updated and any necessary information is passed forward through them.

I was not part of the Provincial process and team formation at the commencement of the season as I came into this position as the season was starting.

All teams from U14A-U19AA have now been scheduled and received their tournament assignments from RO. Again understanding that these teams have the requirement to qualify for their positions at Provincials through qualifying tournaments scheduled between Jan 1st, 2024 and Feb 19th 2024.

- Games are starting the weekend of Sept.23rd, 2023 and all is going well from what I heard.

U12A:

Try-outs were to be completed and team are finalized. West Region teams are under RO page and South Central Ontario Ringette League

- Games are commencing for U12 A the weekend of Oct 1st.
- U12A teams need to register on their own for tournaments and will not be assigned tournaments by RO.

Feb 29-3 AA Championships

14-17 A Championships, Waterloo
