

## WRRRA Adult Update | Thursday, April 18

Prepared by Stephanie Singeris, VP Adult

### Updates:

- 2023-24 season ended with no adult championship outside of A & AA Provincials.
- With teams capped at Provincials, Oshawa Ringette hosted the RO Sanctioned 18+A Spring Fling Tournament. Registration expanded to University and BB teams. 8 teams total attend with positive feedback on tournament overall.
- No Adult Bids were received by RO for 2025. We are at risk of repeating the lack of Adult year end play if no host is named.
- RO is looking for feedback on Adult substitution. WRRRA VP Adult will work with RO to discuss this. This was a focal point of questions this season
- Would like to revisit coaching requirements for Adult teams in 2024-25. There is a lack of clarity here between RO documents.
- Intent for LORL to take on 18+ B/C in 2024-25 season. WRRRA VP Adult meeting with Southern, Western, and Central this to discuss this topic.
