Association**

Chair Report

WRRRA AGM June 7<sup>th</sup>, 2024

Updates:

- 2023-24 season ended with no adult championship outside of A & AA Provincials.
- No Adult Bids were received by RO for 2025. We are at risk of repeating the lack of Adult year if end play if no host is named.
- I have met with southern and central reps to see about their interest in adult cup bids. RO also has ice early April 2025 which could be used for adult end of year play if no host is named
- RO is continuing to look for feedback on Adult substitution. WRRRA VP Adult will work with RO to discuss this. This was a focal point of questions this season. A town hall is being held next Thursday June 13 by RO for feedback on this and other matters Adult play for BB and below.
- Please reach out to myself or RO if you would like the link to register for the town hall. It is open to players and bench staff
- Intent for LORL to take on 18+ B/C in 2024-25 season. WRRRA VP Adult attended meeting in April with Southern and Central reps this to discuss this topic and scheduling for next season
- It is best practice for RO to get substitutions forms directly next season. WRRRA Adult rep will work with RO to monitor players and fair play.

**Sincerely,**

Stephanie Singeris

VP Adult
