Hello all,

Thanks to all of you for your time and patience in getting the releases completed. As always there are situations that take longer to resolve but I appreciate you giving me the time to work through them.

We did approximately 200 releases last year and 8 re-locations. The releases increased this past year as we had a number of regional teams that we combined which generated additional releases.

I have not heard of any changes to the process for this year, so I assume Ringette Ontario will update the most recent release form and we will use that again. A reminder to all A/AA teams to have parents fill out ALL of the fields in the document – everyone wants them done immediately and by having them completely filled out will save time.

Once we get into regional team formations, please remind coaches that if they are not from your association and they are not closest to your association that we need release paperwork. We don't want to find ourselves at the first tourney of the year with missing paperwork.

Look forward to working with you on the 2024 releases! Thanks again for a great 2023.
