Re: eligible amount for Child Fitness Tax Credit

To Whom It May Concern:

We are working with our registration service provider to indicate the **eligible amount** for the Child Fitness Tax Credit on association receipts for members who have paid minor hockey registrations. Unfortunately, this will not be available for the 2015 tax year.

We ask that you accept this letter as explanation that the entire fee paid for any athlete in our association meets the criteria for the **eligible amount** for the Child Fitness Tax Credit, so long as the athlete is 16 years of age or younger as at January 1, 2015.

Yellowknife Minor Hockey offers a hockey program for athletes ages 4-18 which operates between October and April each year. This will confirm that the program is ongoing, supervised, suitable for children and requires significant physical activity which includes muscular strength, muscular endurance, flexibility, and balance.

Registration fees do not include any amount paid by parents for accommodation, travel, food, beverages, or clothing.

Please direct any questions to Jeff Round, Director – Finance at 867-446-7156 or finance@ykminorhockey.ca.

A handwritten signature in blue ink, appearing to be "JR" with a large loop at the end.
